camos donates for four social projects

Stuttgart, 04 February 2020 - camos Software und Beratung GmbH donates for international medical emergency aid and support of children in need. Donations were made to **Médecins sans Frontières**, who provide emergency medical aid in crisis and war zones worldwide, to **Friends-4-Friends**, who care for children in Namibia in the project "Home of Good Hope", to **Terre des hommes**, who work for children's rights all over the world and to **Naretoi**, who support an East African ethnic group.

Michael Hüllenkremer, Managing Director of camos, is pleased to help these four institutions in their work for people in need: "We attach great importance to the sustainability of our aid and support the organisations we select on a recurring basis. This year, a new organisation has been added with Naretoi e.V., because one of our employees was able to convince us of the good purpose of the organisation".
